10. INSTANT REPLAY RULING CHALLENGE

- 10.1. INSTANT REPLAY RULING CHALLENGE (IRRC): These rules and guidelines may be amended and revised from time to time based on the logistics of implementation, effects on TV programming, delays to events, and other practical logistics learned as these rules and procedures are implemented.
 - 10.1.1. Instant replay is a useful device to allow Judges to view a ride/run from several different angles and with slow motion. Where available, super slow motion may also be a useful tool.
 - 10.1.2. WCRA will designate a Lead Judge as an Instant Replay Judge.
 - 10.1.3. The athlete, any competition official or a WCRA Competition Committee member may call for an IRRC after a ruling is made.
 - 10.1.3.1. In the Bull Riding discipline, per PBR Rules - Other Contestants may instigate an IRRC on rides of others also, by sounding the horn within the 30 second time limit after the completion of a ride. A Contestant sounding the horn must immediately make it known that he is the one requesting an IRRC on another Contestant by waving his arms and pointing to himself. If that is not done, or if it is not clear who requested the IRRC, no IRRC will be effectuated as determined by any Judge.
 - 10.1.3.2. If a Contestant calls for an Instant Replay Ruling Challenge (IRRC) for his/her own ride/run, and if the Instant Replay Judge upholds the original ruling, that Contestant will be charged \$500 for calling for the IRRC.
 - 10.1.3.3. Reviewable calls or actions available to athletes are listed with these Competition Rules and may include variations in the event specific Ground Rules under each discipline.
 - 10.1.3.4. Certain reviewable calls or actions are predicated by the athlete declaring themselves at the time of the alleged action. The definition of declaring is the athlete immediately notifies the competition officials and ceases their competition run. If an athlete notifies the official of a declaration but continues to make their competition ride/run, the declaration will be voided.
 - 10.1.4. An athlete may call for an IRRC on their own ride/run only immediately after their ride/run, but not after they leave the arena. They may do so by throwing an IRRC flag, to be located at both athlete out-gates, timed event chutes or perhaps elsewhere. The athlete will have 30 seconds to throw the flag. If there is no clock, until the judge's stopwatch reaches 30 seconds after the completion of a

ride. If an athlete is injured and is reasonably unable to get to the IRRC flag in time, the athlete may signal a judge for an IRRC by a motion. If there is no flag at an event, it shall be the athlete's sole responsibility to alert the judges with the appropriate motion and confirmation for an IRRC.

10.1.5. Other athletes may instigate an IRRC on rides/runs of others also, by throwing the flag within the 30 second time limit after the completion of a ride/run. An athlete that throws the flag must immediately make it known that they are the one requesting an IRRC on another athlete by identifying their self to the competition officials. If that is not done, or if it is not clear who requested the IRRC, no IRRC will be effectuated as determined by any Judge.

10.2. If it is deemed that an athlete has called for an IRRC for their own ride/run, or that of another athlete, is a flagrant misuse of the IRRC, and the Instant Replay Judge upholds the original ruling, that athlete will be charged \$500 for calling for the IRRC.

10.3. Additional Bull Riding discipline IRRC rules per the PBR rulebook

10.3.1. TOUCHING BULL, EQUIPMENT OR PERSON WITH FREE HAND AND OR ARM AND OR EXTENSION: Touching bull, equipment, or person with free hand, and/or arm, and/or extension will be automatically reviewed. When reviewing a disqualification for touching the bull, if the replay judge cannot find conclusive evidence that the athlete touched the bull using all available angles, the athlete will not be disqualified for touching the bull.

10.3.2. Scores are not subject to an IRRC. Only challenges pertaining to reaching 8 seconds (or not), disqualifications (or not) pertaining to slapping or touching the bull with free hand or arm, fouls, or catching spurs in bull rope or knots are matters that are subject to an IRRC. The Field Judge that is the official start time may ask for a review of the start time of the ride if he feels there was an error, in which case the Replay Judge would need to time the ride in real time with a handheld stopwatch. This is the only time where a start time can be reviewed.

10.3.3. If an athlete is disqualified for excessive time in the chute, but the chute was opened and the athlete completed an 8 second ride, that ride shall be subject to automatic video review.
